Experience

1. Assistant Software Developer (October 10, 2023 – running)
Experience time: 12 months (running)
Company: Maakview.com Ltd.
Company Location: Rahima Plaza (6th floor), 82/3 Laboratory Road, Dhaka-1205
Duties/Responsibilities:
I am currently engaged in the ongoing development and maintenance of the company's backend software. My responsibilities include creating new functions, implementing updates, and ensuring their seamless integration by uploading them onto the cPanel platform. I meticulously monitor and troubleshoot any software errors or bugs to guarantee optimal functionality. Additionally, I regularly perform backups of the software. Moreover, I am responsible for verifying the proper functioning of the company's computer hardware, as well as ensuring the correct operation of domains and hosts.

2. Assistant Engineer (March 10, 2022 – July 31, 2022)
Experience time: 4 months
Company: Keeco Limited
Company Location: 335, Romij Vila, Segunbagicha, (Beside Chittagong Hotel), Dhaka, Bangladesh
Duties/Responsibilities:
1. Making Quotation for different kind of products using MS Excel and MS Word

2. All types of computer work and fixing computer problems

3. Teaching Assistant (September 2021 - December 2021)
Experience time: 4 months
Institute: American International University – Bangladesh
Course: Introduction to Database
Duties/Responsibilities:
1. Checking my Microsoft Teams for any student question/problems and answer them with reference.
2. In lab, when lab task is given, helping the students to understand the lab tasks.
